Workshop on Hot Topics in System Infrastructure
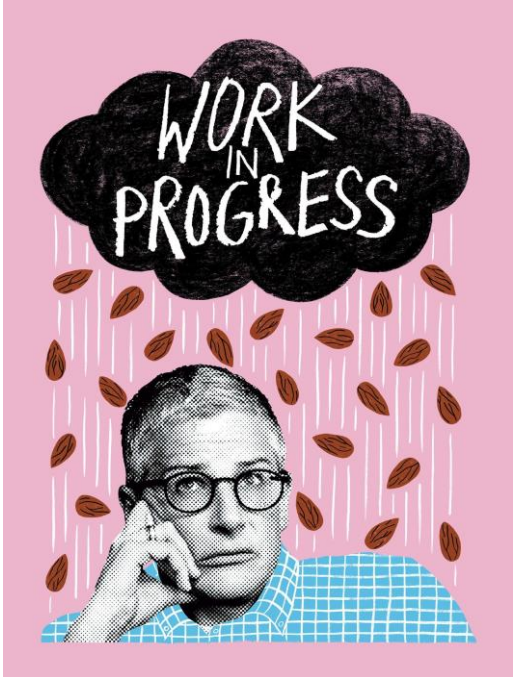

June 18, 2023, Orlando, Florida, USA

Co-located with ISCA 2023

HotInfra Accepts Three Types of Research Papers

PUBLISHED PAPERS

A showcase of excellent published work

WORK IN PROGRESS

Feedback for ongoing work

THEORY INTO PRACTICE

Sharing of industry experience

HotInfra Program Committee

Niket Agarwal
NVIDIA

Alexandros Daglis
Georgia Tech

Satadru Pan
Meta

Chris Rossbach
UT Austin; Katana Graph

Haggai Eran
NVIDIA

Mike Ferdman
Stony Brook University

Muhammad Shahbaz
*Purdue University*

Dimitrios Skarlatos
Carnegie Mellon University

Inigo Goiri
Microsoft

Ana Klimovic
ETH Zurich

Bharat Sukhwani
IBM Research

Yang Wang
The Ohio State University; Meta

Ming Liu
UW-Madison

David Lo
Google

Yawen Wang
Google
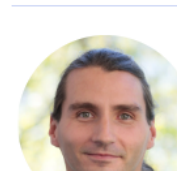

Gerd Zellweger
VMware Research

Jason Lowe-Power
UC Davis

Vikram Sharma Mailthody
NVIDIA

HotInfra Web Chairs

Yuqi Xue

University of Illinois Urbana-Champaign

yuqixue2@illinois.edu

**Benjamin Reidys**

University of Illinois Urbana-Champaign

breidys2@illinois.edu

Thanks for All Your Great Submissions

2 Keynote Talks

12 Technical Talks

1 Poster Session

HotInfra Keynote Speaker

Parthasarathy (Partha) Ranganathan

VP, Technical Fellow @ Google

HotInfra Keynote Speaker

Babak Falsafi

Professor, Founding Director of EcoCloud @ EPFL
